

Dear Friends and Family,

Aug. 2018

Beth and I greet you in the powerful name of Jesus! As I write this partner letter my heart is so stirred. Seasons are changing, the wheels of time are moving forward, seemingly faster. Jesus is Coming and we must be found doing. When I returned from Albania several weeks ago, Beth and I sensed a strong leading from the Lord to begin to focus on Florida. Since Albania I have been walking in the Florida Keys and the Miami area. My heart has been deeply touched as I have taken the cross out onto Florida's southern beaches. So many thousands of people have taken the Smile tracts and so many wonderful conversations with many people who have never heard the words, "Jesus loves you". I also have interacted with so many Europeans on these ministry walks in the Miami area. I didn't have to travel overseas in order to plant Europe with the Gospel.

I also have been so blessed by all the help from the Slavic (Russian speaking) churches in Florida. My wonderful friends from Tarpon Springs Slavic Full Gospel have been such an inspiration for me. They love to reach out with the yellow Smile shirts as well as planting the seed of the Gospel into the lives of the lost. The picture to the left is from my second Miami outreach. A youth team from Tarpon came with me.

I have sensed an increase of the presence of the Lord upon the Cross-Walks. Even in Miami, as soon as I walk onto the beaches, a canopy comes down and begins to minister. The cross captures the attention on the beach. Some people curse while other people come and give me a hug. But most take the Smile tracts and begin to read them. God is speaking on Florida's beaches. Keep praying for Beth and me, that this transition into this new season will come with such Holy Spirit breakthrough! Jesus is coming and the harvest is on His mind (actually His heart).

In Closing, Beth and I are asking you to pray about sowing a special love gift this month. Help propel us out of the summer months and into the harvest months of 2018. There is a special blessing upon this seed sowing ministry. As you partake of this calling, standing with us, I believe that there are miracles for you! Keep reaching and keep planting. Once again, I believe that as you sow a "Harvest Seed into the Harvest Months" that there will be miracles!

We love you, Yours in a Reach,
