

“And they heard -- the voice of the Lord God walking in the garden in the cool (Hebrew “Wind”) of the day: and Adam and his wife hid themselves from the presence of the Lord God amongst the trees of the garden. And the Lord God called unto Adam, and said unto him,
Where art thou?”
Genesis 3:8-9

Dear Friends and Family,

HARVEST WINDS

March 2019

In 1995, while working as a staff pastor for Faith Landmarks Church in Richmond, Virginia, I was sent to London in order to set up a gospel meeting for my pastor. It was on one of many trips to the UK that I saw a vision that changed my life. On this particular occasion I was attending an evening meeting at Kensington Temple Church at their North Acton location. I remember arriving to the meeting by metro with thousands of other people, all hungry for the presence of the Lord. I remember sensing such a canopy of the glory of the Lord that could be felt at the train station as I stepped out of the train. I had never sensed the power of God abiding outside the church building in such a wonderful dimension. During the praise and worship that evening the presence of the Lord was falling like rain and then my eyes were opened to a map of the UK. As I continued to worship I then saw spokes or winds of glory shooting forth from the UK to the ends of the earth. It was during that vision that I knew that Beth and I had to move to the United Kingdom in order to be a part of that move of God's Spirit.

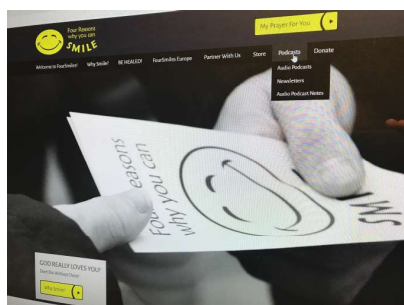

Five years later something happened that changed our lives forever: I wrote the Smile tract. Though I have walked with the cross throughout the UK and other nations of the world, the heartbeat of this ministry happens in London. For the past two decades the London CrossWalk sets everything else that we do into motion. It truly is the “granddaddy” of CrossWalks. It is during our London CrossWalks that the yellow smiles go out to the ends of the earth, almost as if a wind from heaven is carrying them. Over the past 19 years of London CrossWalk, over 850,000 people have taken these gospel flyers to the four corners of the earth. The vision is still in operation! As I write this letter I am preparing to return to the UK to the city of Norwich. I'll be teaching on the “agate” love of God as well as walking in multiple areas of that region of England. I covet your prayers!

In the passage above from Genesis chapter three, I want you to pay close attention to the phrase, “the wind of the day”. God's wind for souls is still blowing and calling out to lost men and women. As you pray for us, pray that the winds of God would intensify upon the cross and the team. After getting back from this trip to Norwich, it won't be long before I am heading back to Paris and then directly to London. These are big outreaches, which require your prayers. Stand with us in the winds of harvest.
