May 2019

Beth and I greet you in the mighty name of Jesus! We are so excited about this year. From the beginning of 2019 we have sensed an increase of God's presence upon the CrossWalks. I know that a new season has come upon America and Western Europe—I also know that our many friends and family members are praying for us. God is moving and we are moving with Him. I want to encourage you to go to our website in order to hear podcast updates as well as teachings. We are very excited about the direction we are launching into. More nations are opening to us. I remember in 1997, while working at Faith Landmarks Ministries in Richmond, Virginia, when a prophetic word came upon me. I simply put my hands upon my belly and prophesied, "Nations are in my belly". The next thing I remember was lying on the floor with tears in my eyes. This word of the Lord was sure and it was true!

BOOK UPDATE

Bearing Precious Seed, my autobiography of CrossWalk and FourSmiles is in the final stages of production. We are so excited about getting this book into the hands of our partners and friends. So many of you have walked this road with us over the past 20 years. This book is dedicated to you!

Brussels - The Heart of the EU

June 12th-18th I will be heading back to Europe, this time into the heart of the European capital - Brussels. I am asking you to intercede over this trip with us. I will be flying into London and together with a team from the UK we will travel to Belgium and meet a team from Brussels. We will be armed with 7000 Smiles - in French, Flemish and English languages. I believe that angels will be released to assist us mightily on this outreach.

Sweden - Scandinavia Ablaze

June 26th-July 9th I will be joining a group of young guys in Gothenburg, Sweden. We will be planting 15,000 Smiles tracts into this nation. We will begin in Gothenburg and then make our way towards Stockholm, visiting several small towns en route. Stand with us for this outreach. Sweden is a new nation for me and the cross.

In closing, we will keep you updated on all these nations and outreaches coming up. It is exciting! Beth and I want to thank you for your partnership in planting and prophesying over these nations. We love you.
